

Andean Despacho August 2025

You are invited to an Andean Despacho Ceremony to deepen your connection to Nature, the Earth, and to the Stars as we prepare for eclipse season that overlies the Autumnal Equinox this year. No equinox despacho will be done in September this year. Feel your own essence expand as you work with highest intentions for the stewardship of the Earth. Celebrate with us as we create a prayer bundle to usher in the new times with the grace and ease that comes from being in right Ayni with both the Heavens and Earth. After the ceremony we will enjoy the company of likeminded friends and refreshments.
